

connecting cultures & creating community through music & arts

In-Kind Gift Form

THANK YOU for your in-kind donation to LEAF Community Arts! LEAF depends on contributions like yours to provide cultural arts education to youth in Buncombe County and across the globe.

LEAF can only accept in-kind donations that further the organization's mission. These items can be used to relieve expenses associated with programming, such as instrument donations and festival production costs, or be given as assets such as gifts of stock, or items to be raffled or auctioned in an effort to raise funds for LEAF Schools & Streets and LEAF International. Gifts of in-kind are offered to LEAF by a donor voluntarily and without charge or consideration. Once accepted, the donated item(s) become the property of LEAF, which retains the right to dispose of an in-kind gift as it sees fit, unless another arrangements have been made between LEAF and the donor.

We ask that you complete the in-kind donation form to ensure your donation is correctly recorded and acknowledged. Thank you for supporting LEAF!
